

JEREMY CAMP "Take You Back"

The reason why I stand  
The answer lies in you  
You hung to make me strong  
Though my praise was few  
When I fall and bring your name down

But I have found in you  
A heart that pleads forgiveness  
Replacing all these thoughts  
Of painful memories  
But I know  
That your response will always be

*[Chorus]*

I'll take you back always  
And even when your fight is over now  
Even when your fight is over now  
I'll take you back always  
And even when the pain is coming through  
Even when the pain is coming through  
I'll take you back

You satisfy this cry  
Of what I'm looking for  
And I take all I can  
And lay it down  
Before the throne of endless grace, now  
That radiates what's true

I'm in the only place  
That erases all these faults  
That have overtaken me  
But I know  
That your response will always be

*[Repeat Chorus]*

I can only speak  
With a grateful heart  
As I'm pierced by this gift  
Of your love

I will always bring an offering  
I can never thank you enough

*[Chorus Two]*

You'll take me back always  
And even when my fight is over now  
Even when my fight is over now  
You'll take me back always  
And even when my pain is coming through  
Even when my pain is coming through  
You'll take me back always

Even when my fight is over now  
Even when my fight is over now

You'll take me back always

Even when my pain is coming through  
Even when my pain is coming through

You'll take me back
